ABOUT US

Machines Market, your premier partner in construction equipment rentals and trading, ventured into the UAE in 2019 with construction materials and spare parts trading with our group company. Expanding our portfolio further to cater to the construction industry requirements and diversify to new business operations, we have started Machines Market, a construction equipment rentals and dewatering pumps & materials trading company based in Abu Dhabi and catering to all UAE.

We specialize in providing top-of-the-line equipment solutions tailored to meet the diverse needs of construction projects across various industries. With a focus on reliability, efficiency, and customer satisfaction, we are committed to supporting your ventures with the tools necessary for success. Our comprehensive and top of the range equipments, coupled with our dedicated service and efficient support, ensures that your projects run smoothly and efficiently, from inception to completion. At Machines Market, we're more than just a leasing company; we're your trusted partner in building a better future.

Machines Market has full range of construction equipments and heavy machinery ranging from Compressors, Generators, Tele Handlers, Skid-Steer Loader, Cranes, Transit Mixers, Trucks, Wheel Loaders, Excavators and Backhoe Loaders as well as trading of diesel pumps, dewatering pumps and materials.

Our Mission

To empower construction ventures with reliable and efficient equipment solutions, fostering seamless progress and growth, while prioritizing safety, sustainability, and client satisfaction.

Our Vision

To be the premier partner in construction equipment leasing, recognized for our unwavering commitment to excellence, innovation, and service, contributing to the success of projects in the region.

Our Commitment

At Machines Market, we are dedicated to delivering exceptional construction rental solutions that meet the unique needs of our clients. Our commitment is built on a foundation of reliability, quality, and customer satisfaction. We ensure excellence in every aspect of our service by providing Quality Equipment, Customer-Centric Service, stringent safety standards, timely delivery and support, sustainability and investing in innovations.

Our Values

At Machines Market, our core values guide every aspect of our business and ensure we deliver the highest standards of service to our clients. Integrity, customer focus, quality, safety, team work and excellence are the foundation of our commitment to excellence and customer satisfaction. These values drive our passion for delivering exceptional construction rental solutions and ensure that we remain a trusted partner for our clients. At Machines Market, we are committed to upholding these principles in every project we undertake.
